

VVX KIDS RACE RULES

During the VVX, the kids will have their own trail to enjoy.

The race will take place on the Goulet site. It will start from the same place as the adult race: under the VVX arch.

Waves of 20 children will be sent off at a time: the next wave will leave as the last gets back to the starting line.

Each child will be allowed to complete the course as many times as they want during their allocated 30 minutes.

Will they manage to run the distance of the adult trails: 25km? 43km? Or – even better! – 110km?

REGISTRATION:

There is a registration fee of €5, payable only via the Sportips website.

On the day of the race, children will need to have the attached parental consent form with them.

The number of runners will be limited to 200.

EQUIPMENT:

Activewear and shoes that are suitable for road running.

DESCRIPTION:

During this challenge, the children will need to run as far as they can in 30 minutes.

Areas where adults can stand and watch the race will be indicated.

Only children who are accompanied by an adult will be allowed to take part in the race.
